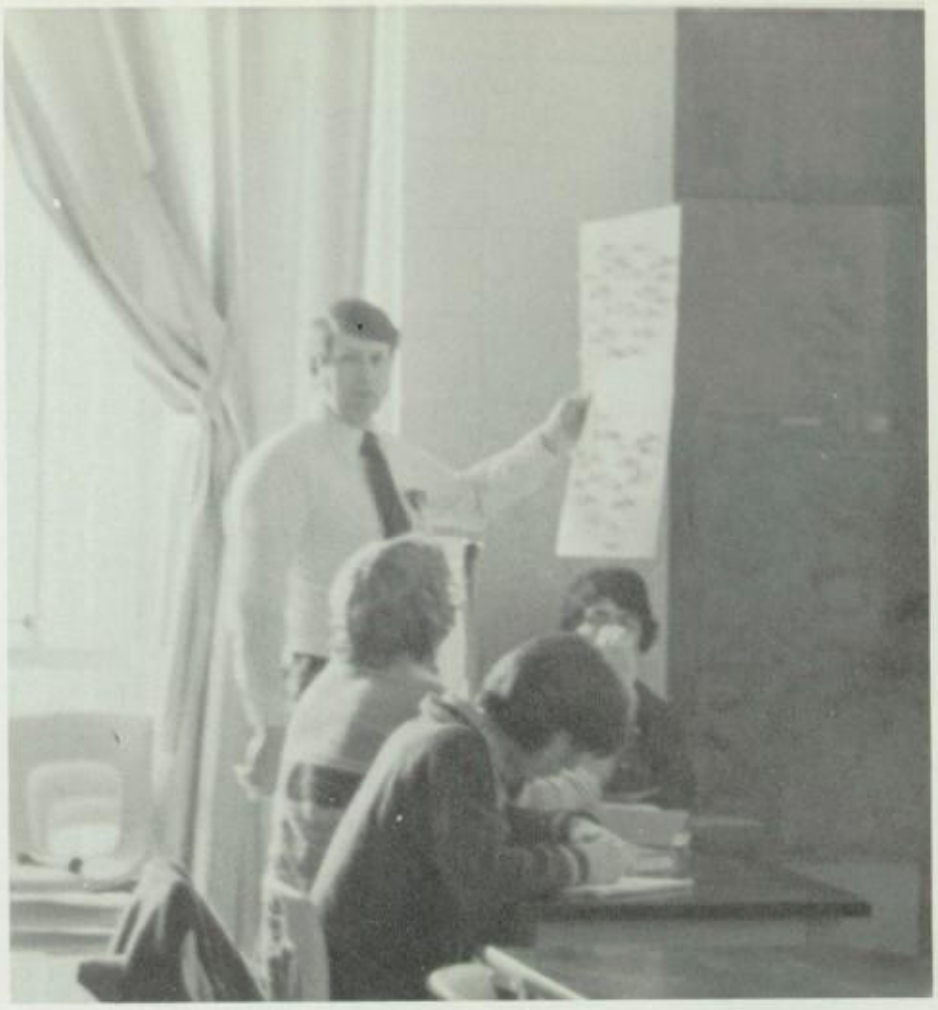
DEDICATION

Becoming involved, striving, and caring produced tremendous results this year for one of our faculty members. Besides teaching sophomores Biology, he also coached winning football and baseball teams. This man has proved his efforts with success. To show appreciation and graditude, the Senior Class of 1977 proudly dedicates the TRINHIAN to Mr. Larry Wall!



COOPERATION AND INVOLVEMENT

Trinity High School has many active clubs. When students become involved in two or three clubs, most of their time is taken up in club activities. Building floats for homecoming, doing service projects for the school and community, and having money-raising projects are only a few activities most clubs undertake. Of course, the success and continuation of a club is up to its members. Clubs are one way education can be more interesting.

STUDENT COUNCIL

President, Diane Farlow; Vice-President, Annette Passmore; Secretary, Teresa Ashe; Treasurer, Ray Thompson; Corresponding Secretary, Jan Clayton; Sargeant-at-Arms, Jeff Gibbons; Sponsors, Mrs. J. Sullivan, Mrs. K. Sullivan.

A lot of credit should be extended to our Student Council and members. Their participation in numerous projects helps to enlighten the school year. Spirit week was held on October 4-8 with penny day, hat day, pots and pans day, sock day, and funny car day. The week was topped off with a rip-roaring pep rally and the Homecoming dance. A donkey basketball game and sweetheart dance are to be held in the spring. This year each member on the Student Council has a Secret Pal and at the end of the year identifies himself to his Secret Pal.

Student Council sponsors Shakespearean Theatre.

The FBLA has participated in many activities this past year with its biggest project the Archdale March of Dimes Walk-A-Thon. Trinity placed first among many schools in this sponsored project, and received many awards from the March of Dimes. Tommy Rice received one award from Richard Thomas this past summer and Donna Moody, president this year, attended the March of Dimes Convention in Atlanta Georgia in October. At Thanksgiving, members took kleenex and hand lotion to the patients of Gregson Nursing Home, and at Christmas members sold coloring books. FBLA sponsored National Education Week by holding a coffee hour for parents. On February 14, A Mr. Heart Throb Contest was held, and the club plans to help with the March of Dimes Walk-A-Thon again this year and to aim for a higher goal than last year. Much credit should be extended to this club for their outstanding work and dedication.

N.F.L., most often translated as "National Football League" also stands for something else—the National Forensic League. 1976-77 marks only the second year of the program for Trinity High School, but already our teams have won the respect of all other schools in the state. The team has won over 50 trophies in just two short years, including the 1976 State Debating Championship Trophy, taken by Mike and Steve Poole. This season our squad attended 18 major tournaments, with team members sacrificing their weekends for the glory of THS. It was well worth it however, since both our varsity and standard debate teams were ranked number one in the state this year. "Hard work pays well" is the team's motto and the proof of this statement can be found by taking a look at the debate and speech trophies that are in the library.

COMPETITION AND DESIRE TO

Winning athletic teams and the support given to these teams are the core of school spirit. Behind these winning teams, we have players, coaches, cheerleaders, fans, and so on.

Other aspects of enthusiasm are homecoming, the Junior-Senior Prom, the annual spring play, and honors.

ENTHUSIASM

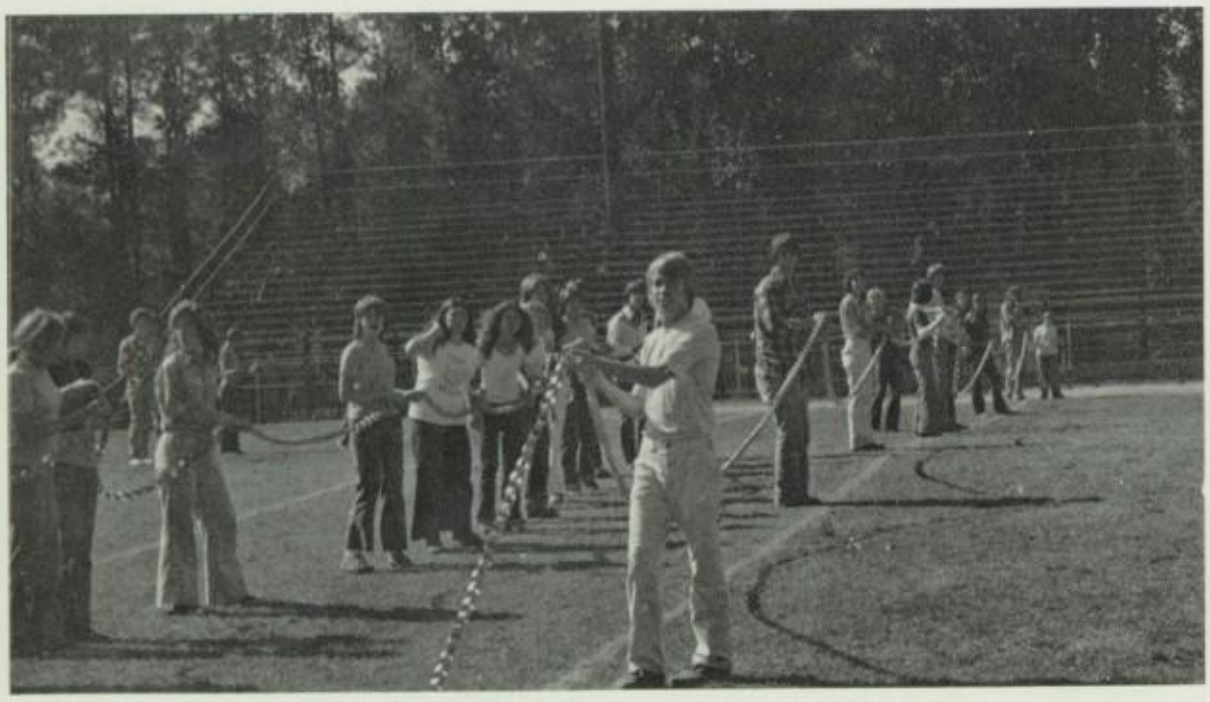
HOMECOMING 1976

Twice as nice than ever before!

Not as a cliche, but in a literal sense, Homecoming enthusiasm doubled as spirited festivities extended into a second week.

The day slipped past with float construction. The pep rally brought screaming shouts of glee. The night drew nigh, a queen was crowned, and a victory was sought for Trinity.

Then-Now-We will long remember the emotions felt within—the exciting, anxious moments that made it all so grand.



LYNN BOULDIN CROWNED HOMECOMING QUEEN

As an attendant her sophomore and junior years, Lynn Bouldin was rightfully crowned as our 1976 Homecoming Queen. Her pleasing personality, inner beauty, and gracious acceptance of this honor truly make her a queen in every respect.

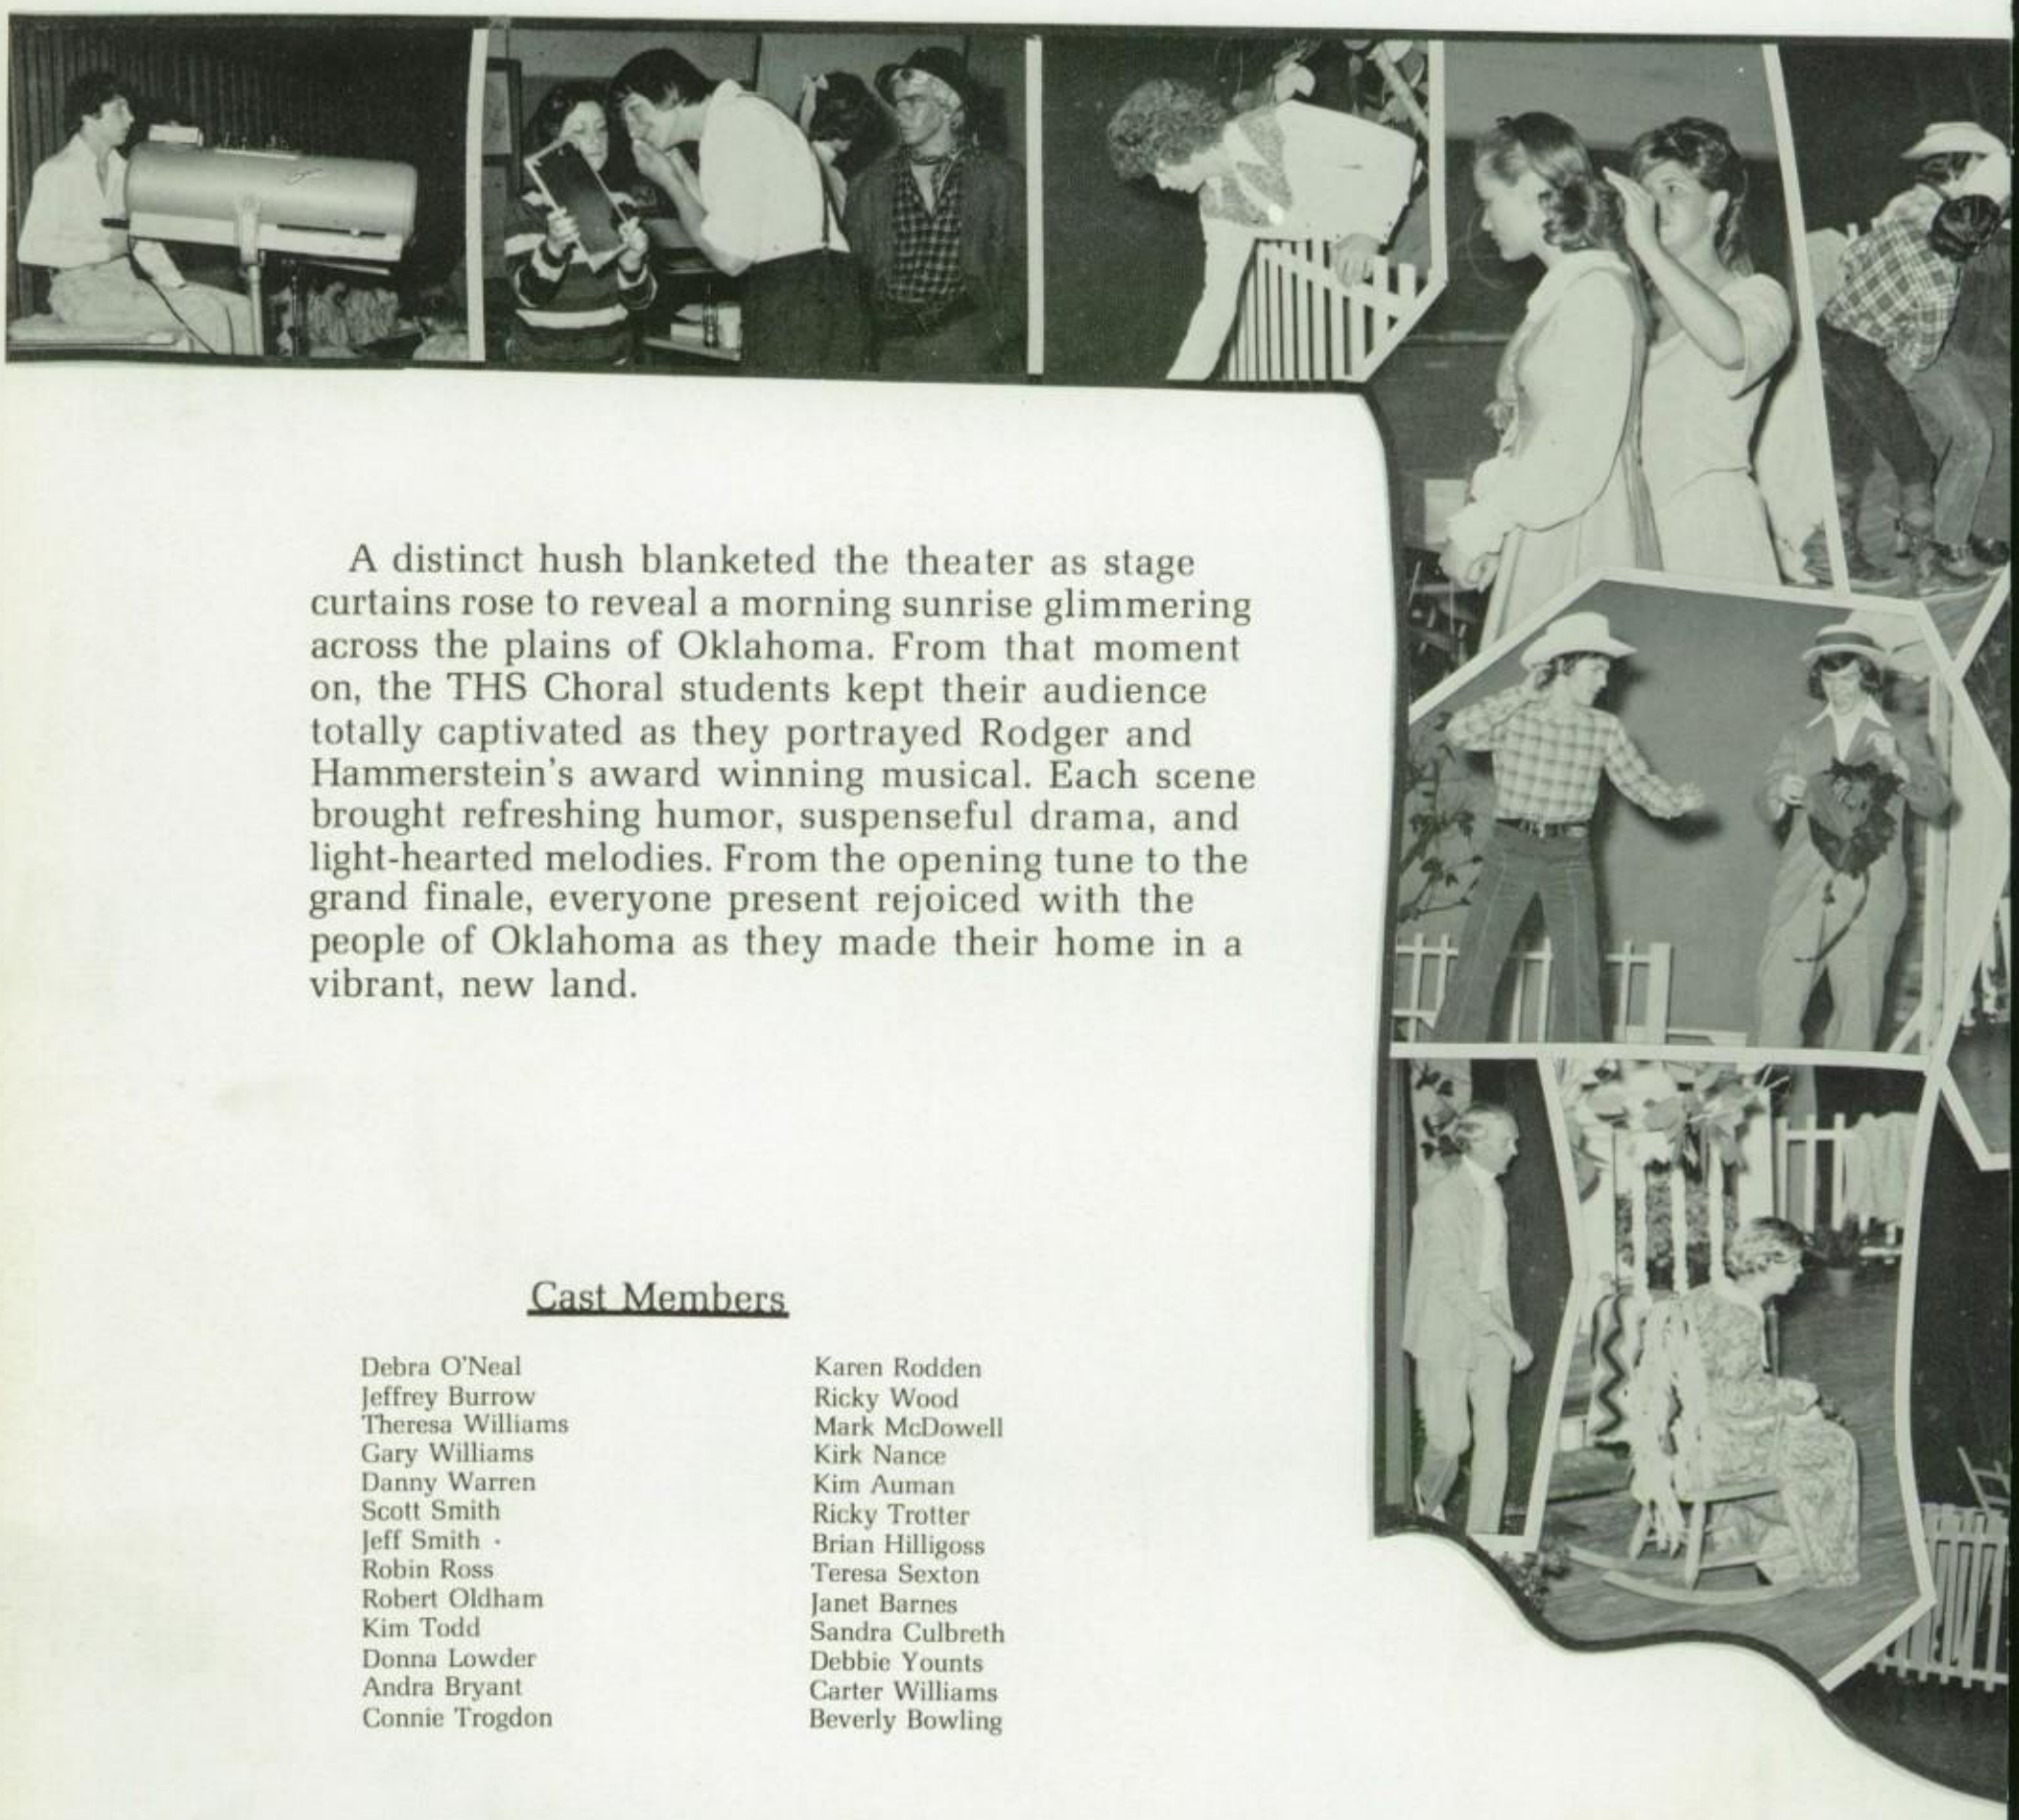
OKLA



A distinct hush blanketed the theater as stage curtains rose to reveal a morning sunrise glimmering across the plains of Oklahoma. From that moment on, the THS Choral students kept their audience totally captivated as they portrayed Rodger and Hammerstein's award winning musical. Each scene brought refreshing humor, suspenseful drama, and light-hearted melodies. From the opening tune to the grand finale, everyone present rejoiced with the people of Oklahoma as they made their home in a vibrant, new land.

1976 JUNIOR-SENIOR PROM

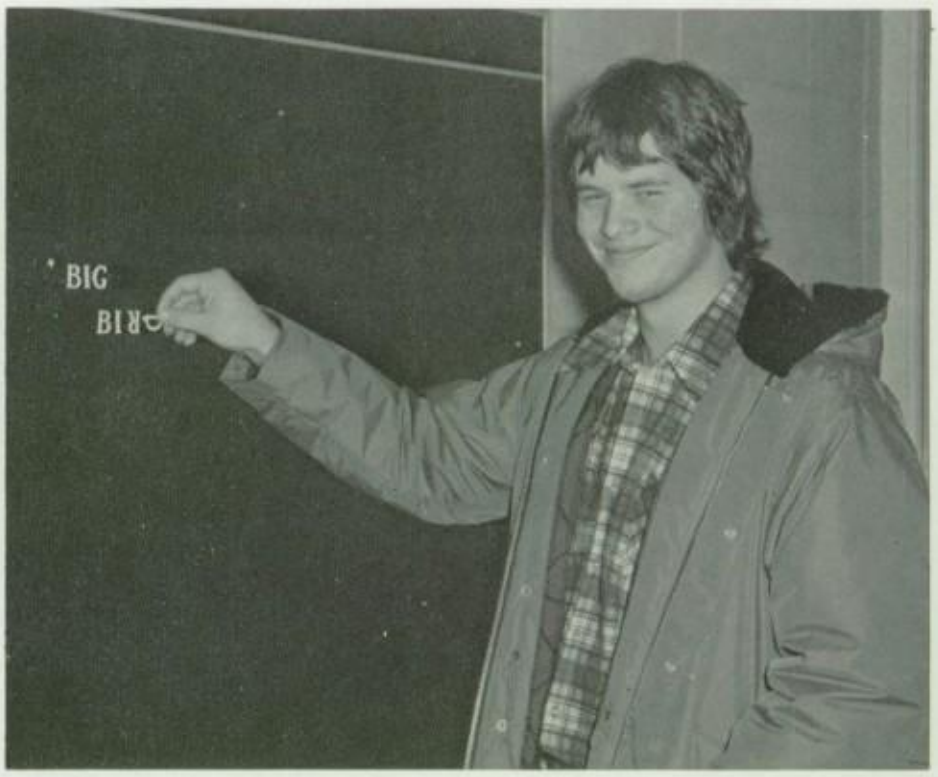
Excitement filled the ballroom of the Hilton Inn as guests arrived for the 1976 Junior-Senior Prom. The occasion provided a candlelight atmosphere as both students and faculty members danced to the stimulating music of "Clockwork". It was a joyous event leaving memories to be cherished forever.

"Clockwork" provided music for the evening.

Hostesses for the evening were Joyce Garrett, Terri Hinkle, Becky Myers, Sherri Loflin, and Cindy Stone.

FACULTY SELECTS

Serving as president of the THS Beta Club, LYNN CHAMBERS has definitely proven her leadership ability. She accepts responsibilities with great devotion. Lynn has participated in varsity sports, thus qualifying her to serve as sports editor for the 1977 Trinhian.



Due to his accomplishments in NFL, MARK HYDE has brought "home" numerous awards for his debating skills. As business manager of the Bulldog Tales, he sees to all financial aspects of the newspaper. Incidently, Mark readily answers to the expression "Big Bird".

Whether sprinting down a football field or performing in a school play, JEFF SMITH has a special way of cheering his audience. As president of FCA Jeff has greatly spirited the group. His portrayal of Judd in Oklahoma lifted the souls of everyone present.

Boosting school spirit is one of RENEE MIKLES favorite tasks. Her enthusiasm as chief cheerleader has truly accented team competitions. Due to her academic achievements, Renee served as Junior Marshal. She has been active in the FCA and the Beta Club.

TOP SENIORS

JEFF GIBBONS is a person who enjoys unique challenges. Much credit can be attributed to him for his work with the THS Band. His spirit as drum major has paved the road to new success for all band participants. Jeff is also a member of the Beta Club.

CINDY TAYLOR's friendly personality only enhances the achievements she has acquired while in high school. Besides active participation in the Science Club and the Beta Club, Cindy was chosen as a Junior Marshal. She has played in various athletic capacities.

As Central District Beta President, SHERRY VESTAL has proven her willingness to help others. Sherry's extra-curricular involvement includes participation in the Gamboliers, Keyettes, and Youth Council. She also worked as Features editor for the 1977 Trinhian.

DONNIE DOBY has been a tremendous asset to both the golf and football teams. His participation has helped to spur our varsity teams to victory. Donnie is also a member of the Beta Club and has proved to be an active member.

Much of DIANE FARLOW's high school career has been devoted to the THS Student Council. She has firmly organized our student government in order for it to best serve the student body. Her academic achievements entitled her to serve as a Junior Marshal.

Being such a versatile person makes JEFF BURROW a well-rounded student. As president of the Gamboliers Jeff possesses an outstanding musical talent. At the same time his participation in football, basketball, and baseball adds much to our athletic program.

TSH can now boast of football victories greatly due to the leadership of TIM GULLEDGE. His efforts as quarterback proved quite successful for the 1976 football season. During his high school career Tim has also excelled in basketball and baseball.

MELANIE WALL's participation on the girl's basketball team and in the Beta Club has added a special influence to both groups. She is an energetic reporter for the Bulldog Tales. Ranking scholastically high in her class, Melanie served as a Junior Marshal.

TERESA BOTTOMS has a sure method for expressing herself, whether it be in an NFL tournament or a newspaper editorial. She has been a concrete asset for both literary organizations. Teresa's academic endeavors allowed her to participate as a Junior Marshal.

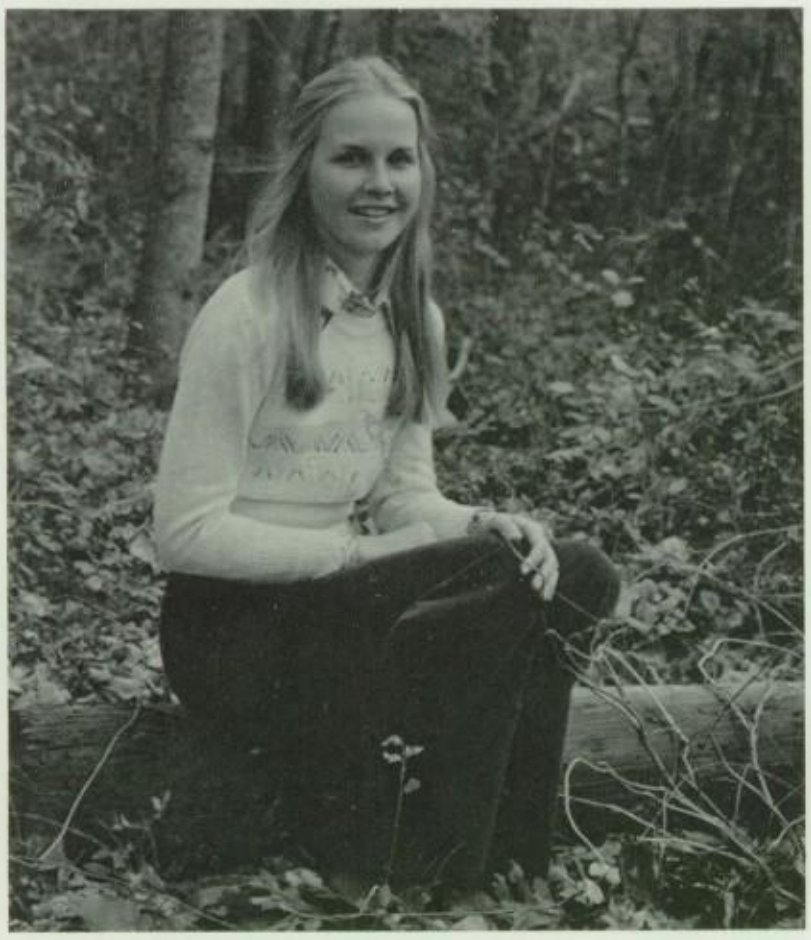
TRINITY STUDENTS RECEIVE HONORS

High academic goals and determination proved successful for the 1975-76 Junior Marshals. They were: Janet Barnes, Renee Mikles, Terri Brown, Kenny Hooker, Teresa Bottoms, Mike Poole, Diane Farlow, Gary Williams, Melanie Wall, Donna Moody, and Cindy Taylor.

Robin Ross is our reigning Miss Trinity.

Mike and Steve Poole were acknowledged as North Carolina's 1976 NFL Debate Champions.

Sherry Vestal was chosen to serve as the DAR recipient from THS. The basis of this honor was due to her service and leadership in both school and community activities.



Laurie McHugh and Tommy Rice represented the THS FBLA as the club won a national award for its overwhelming contributions to the March of Dimes.

Teresa Bottoms, Cindy Taylor, Mark Hyde, and Melanie Wall represented Trinity High as Moorehead Nominees.

As president, treasurer, and historian, Mark Hyde, Steve Hancock, and Joanne Talbert have served as Randolph County Beta Officers.

At the 1975-76 North Carolina State DECA Convention, THS members were bestowed the honor of "Chapter of the Year". Here Patricia Nooe displays the trophy the club received for their efforts.

Donna Gelo has enthusiastically accepted her responsibilities as Chairman of the High Point Youth Council.

While representing the Trinity High School Beta Club, Sherry Vestal was elected to serve as the 1976-77 Central District Beta President and Gary Williams was chosen to serve as Treasurer.

BATTER UP!

"Of all human powers operating on the affairs of mankind, none is greater than that of competition."—Henry Clay.

This is what Trinity's head coach Larry Wall stressed to the 1976 Varsity Baseball Team. The boys never proved to show anything less than great competition for their opponents. The Team lost some very close heartbreakers, winding up the season with a 8-13 record. Kevin Albertson, playing second base for Trinity, was chosen to the SPC All-Conference Team. Assisting the Team was Darrell Hill, with Leon Cox as trainer.

The 1976 Bulldog Golf Team was a young Team and did well in competition. The Team spent many hours on the golf course practicing for perfection. The many hours of hard work payed off as the Team placed fourth in the conference in regular season play. Our Varsity Football Team had an excellent record this year with a 6-4 winning season, their first since entering the SPC Conference. The Bulldogs opened the season with a 26-0 win over Allen Jay. Trinity was the only Conference team to score against Lexington this season, falling 26-14. Trinity found that dedicated fans and team members led them to victories over Ledford (runner-up in the State for 2A division), Concord, Albemarle, Asheboro, and Kannapolis. Walter Ashe made the first team All-Conference and Tim Gulledge received Honorable mention. Trinity's success was due largely to the desire to win among the team which was instilled by the coaching staff, led by Larry Wall.

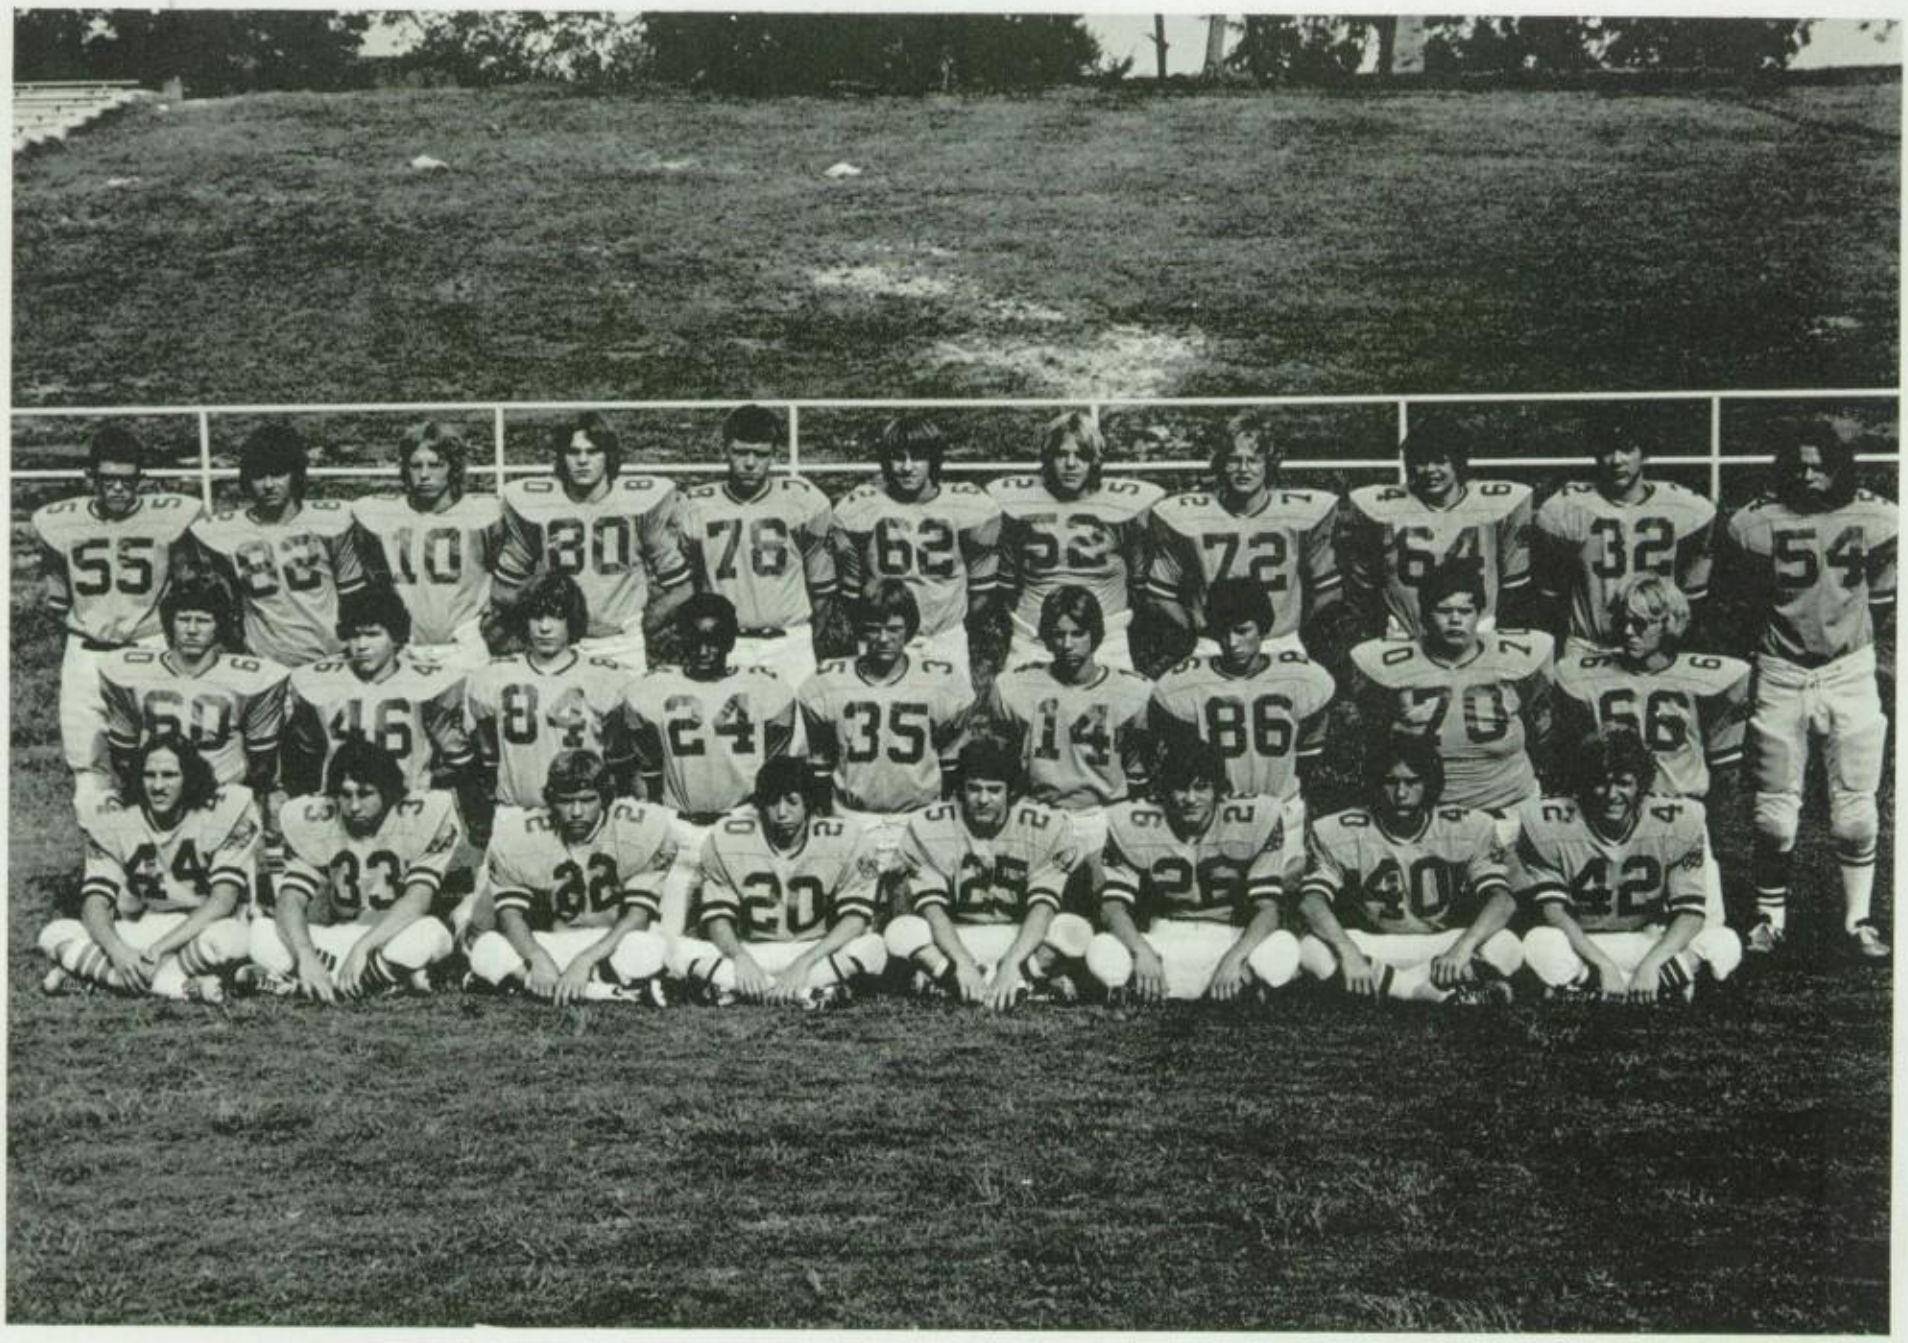
PUNTERS



The JV Football Team had a disappointing season this year with a 3-7 record. The boys lost to some very tough competition. The team was very determined and gave 100% throughout the season. The Bulldogs opened the season with a 2-0 loss over Allen Jay but bounced back to a convincing 14-12 victory over Lexington. The Team was coached by Mike Steed and Jerry Winnett.

SLUGGERS

The Girl's Varsity Softball Team hit 500 this year winning 4 and losing 4. The four games the girls lost were very close losing all four by a total of only 7 runs. The team had several outstanding individual players. Kathy Whitt, Francis Thompson, Tammy Siler, and Cindy Taylor made the All Conference Team for the Lady Bulldogs. The team was coached by Debbie Craven.

HAVE A BALL

The Varsity Boys Basketball Team found themselves faced with the same problem this year as they have since Trinity entered the SPC Conference. The Bulldogs were not able to pull out many wins this year although the team lost several games by less than a ten point deficit. With Trinity's center standing at 6'4", the Bulldogs found themselves with the usual height disadvantage; but quickness and determination were definite assets to this year's team. The Team was coached by Gene Hiatt.

UPCOMING TALENT

Upcoming talent for next year's Varsity Team will definitely be the case with this year's Junior Varsity Boy's Basketball Team. The Team started off the season very well with victories over Ledford and Allen Jay under their belt. As the season progressed, several of the Team members advanced to Varsity, finding coach Carter Sink having to regroup his team. The Bulldogs finished up the season with a 3-17 record.

ALMOST . . . BUT NOT QUITE

The Girls' Varsity Basketball Team had a most impressive season. Through dedication and hard work the team, coached by Emily Millis, ended the season with a 14-6 record. It was not until the last game of the season that the SPC Title was decided. On Monday, February 14, the girls met Thomasville to decide the SPC Championship. If Trinity had been victorious, they would have shared the honors with Thomasville. Our girls gave Thomasville a rough time in the first half. The lead changed nine times and the game was tied six times. The second half was a different story. Our girls just seemed to run out of steam and Thomasville was the winners. The team is looking ahead to next year and a chance to meet Thomasville again.

DOG FIGHTERS

Where did my teammates go?

The Junior Varsity Girls Basketball Team found themselves in a most unusual situation at the beginning of the season this year. Only three of their ten players had ever played organized basketball. The girls did not let inexperience discourage them as each member practiced hard to obtain the basic fundamentals needed to play. The Lady Bulldogs were coached by Gary Reddick and Debbie Craven.

STUDS–SPC CHAMPIONS

Fantastic, Great, Super, these are only a few of the adjectives used by Coach Harold Smith when asked if there was anything special he would like us to print about his undefeated matmen.

Trinity grapplers packed the houses with fans who helped to cheer the matmen to victory. There are so many impressive wrestlers on the team that each match brings screaming fans to their feet. The Trinity Matmen were the undisputed champions of the S.P.C., winning every match of the season. They also placed at the top in several tournaments. Next year's team certainly has their work cut out for them!

STUDS

We had a very strong Junior Varsity Wrestling Team at Trinity, recording a 10-2-1 season. The team is coached by Jerry Winnette, who gets a lot of boys out for wrestling.

The Junior Varsity lost only to Thomasville and South Iredell, but came back in the second match against Thomasville for the big win and South Iredell forfeited to us.

Many of these matmen are looking forward to helping to make our next year's Varsity Wrestling team.

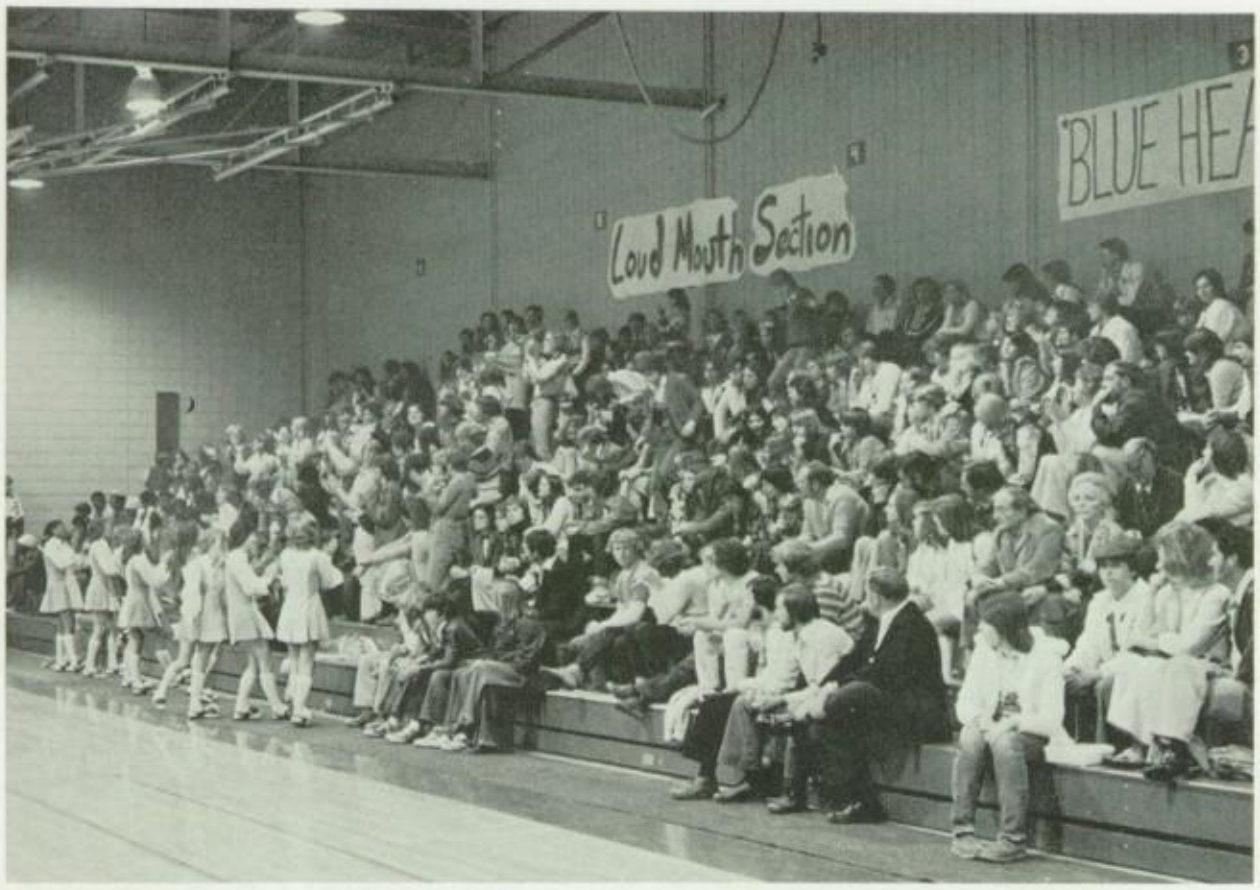
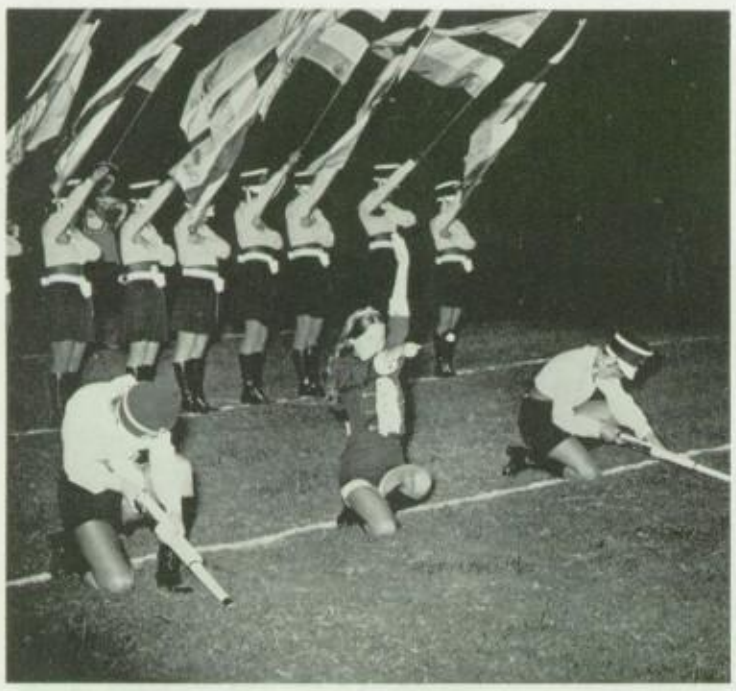
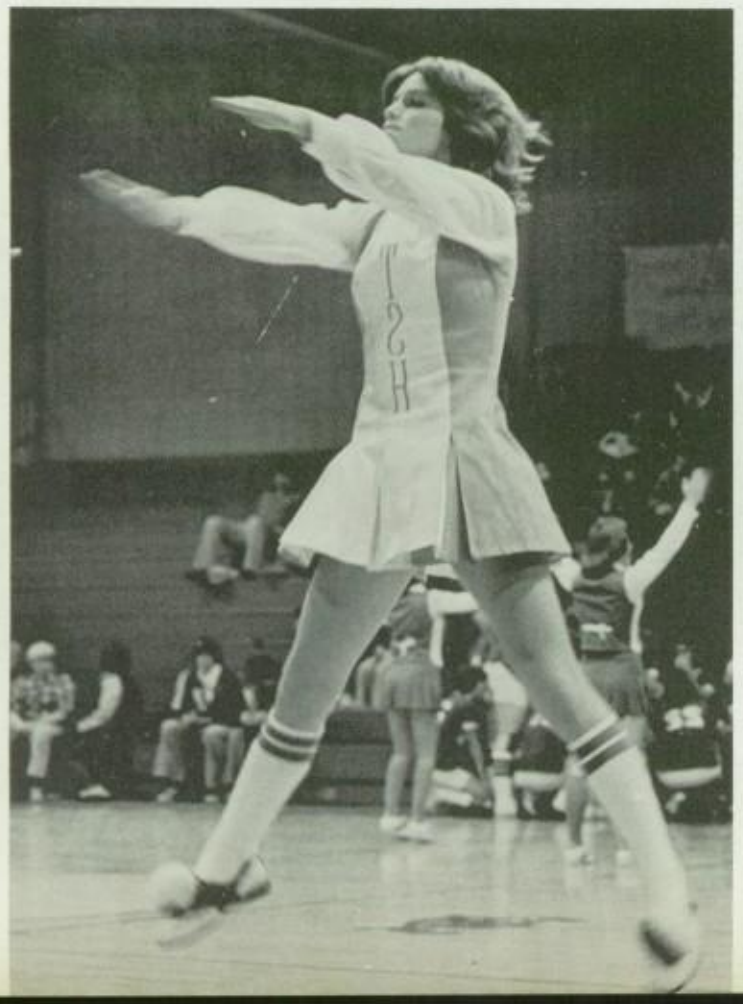
THAT BULLDOG SPIRIT!

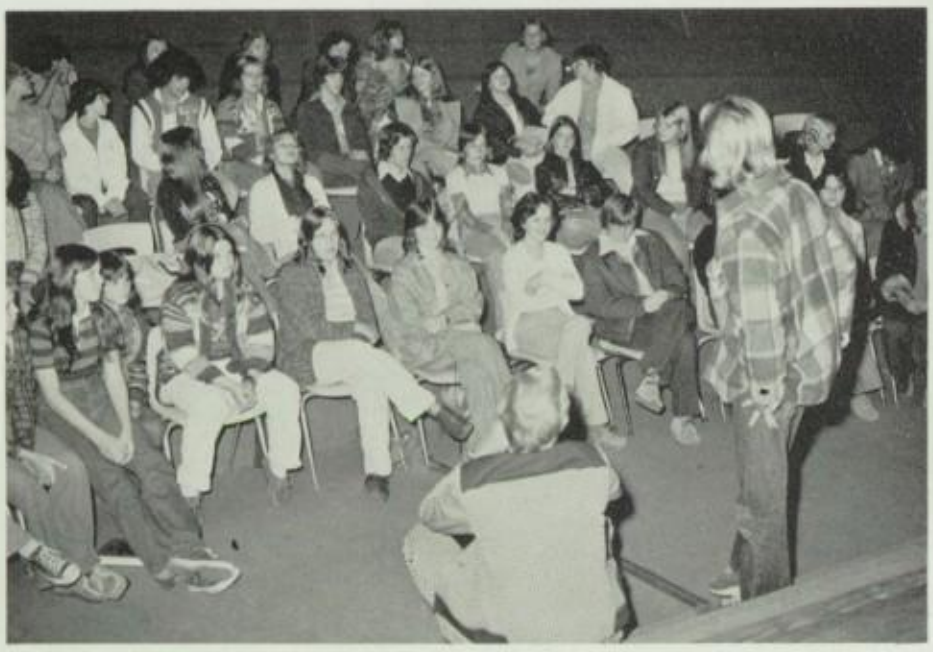


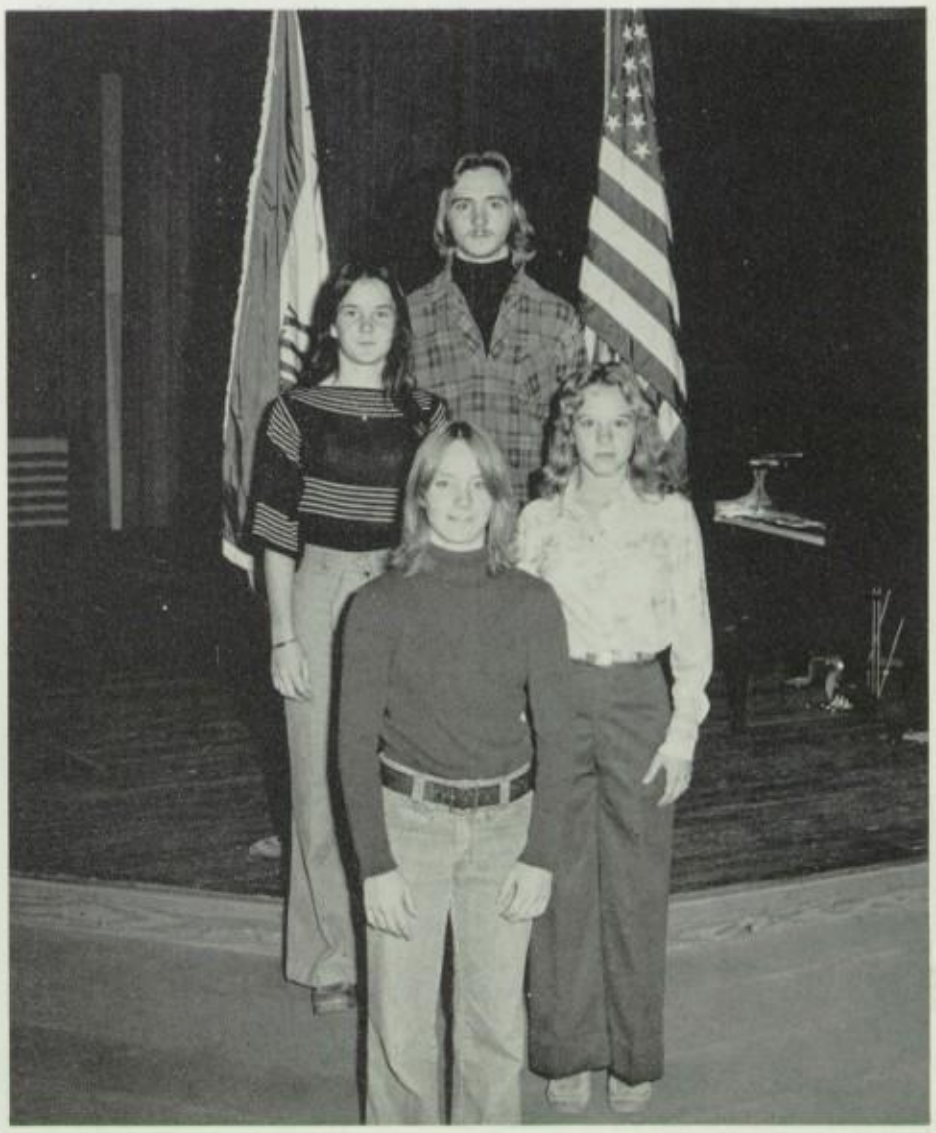




BOOSTERS OF SCHOOL SPIRIT

Members of the Boss Club must serve two hours of duty before officially being a member. They keep our school campus clean and attractive looking. For their Thanksgiving project, they took apple–turkeys to the Gregson Nursing Home and put flowers in the cafeteria. They plan to landscape the new building this spring.





President, Carson Hill; Vice-President, Teresa Sexton; Secretary, Kathy Garner; Treasurer, Robin Hill; Sponsor; Mr. Joe Gamble.

1976 BUS FOLLIES

During the month of November, 1976, all the schools in the Archdale-Trinity district raised $19,000 to buy a new activity bus. Beginning November 15, the Kings and Queens from each class began collecting money. On November 19 and 20th the 1976 Bus Follies were held. Betty Warren and Joe Gamble were the co-chairmen of the program. Max Meeks, from WMFR, was the Master of Ceremonies. The talent ranged from skits to the "Womanless Wedding", which was the most prominent feature. People from the community were involved also.

GRAPPLERETTES

In their second year of outstanding duty, the Grapplerettes have become a necessary organization to our wrestlers. They play an important part in the wrestling program by keeping the statistics, serving oranges to the wrestlers, cleaning the mats, and welcoming the supporters and visiting wrestlers.

FACING REALITY BROUGHT MATURITY,

There is a big ol' world out there waiting for all graduates. Acceptance in that big ol' world is sometimes difficult. That is why 12 years of school is necessary. School gives us the experience of taking orders, coping with responsibility, getting along with others, and many other things. This experience is valuable and priceless.

EARNING SALARIES, BUDGETING

To produce 800 annuals, several thousands of dollars must be raised. The TRINHIAN staff was responsible for raising this money by selling ads to local merchants, selling patron ads to supporters, and selling annuals to students. This was a hard task, and the money did not come easily. We express special "Thank you's" to all who contributed to our enterprise.

Just a few of the many DECA trophys.

Trinity students and teachers can be proud of each other and our school for many reasons. We have accomplished much this year, and it was done as a joint effort. Successful clubs, teams, and students reflect on their sponsors, coaches, and teachers.

The 1976-1977 TRINHIAN is finally finished. Many long hours are spent to put an annual together, and the staff this year has done a tremendous job.

I would like to thank Barry Lambeth, Kent Hancock, and Ricky Allen for their photography work.

A special thanks is extended to Nelson's Photography for their professional work.

The following girls did a tremendous job for the staff this year: Lynn Chambers, Sherry Vestal, Kathy Miller, Donna Moody, Brenda Dale, and Angie Roach. Thanks for all your dedication and work.

Thanks also are in order for Jeff Monroe and Kirk Nance who took care of the business end of the book.

Finally, I would like to extend my deep appreciation and gratitude to Mrs. Beverly Nelson, Mr. Lynn Small, and Miss Mary Smith, advisors of the TRINHIAN. They worked doubly hard for the staff, carrying a lot of the load. Thanks again.

I would like to wish Patricia Honeycutt and her staff a lot of luck next year.

Cara Varner
TRINHIAN Editor
